

MANY SERVICES...

PDI Group Inc. is the largest independent sheet-fed printing company in Quebec providing services locally as well as throughout Canada and the United States. With a reputation of exceptional service and impeccable quality, PDI facilitates the task of managing the production of print collateral by offering a complete gamut of services, with only one point of contact. This approach assures consistent visuals with a delivery that is on time and on budget. We understand the crucial role we play as partners to ensure a smooth deployment of our clients' communication projects. Your image is our passion – a motivating factor for the PDI team to provide unparalleled products and services!
